(Press Release)

MD Packaging Inc. appoints Bobby Javier as a Field Service Engineer to help facilitate our growth across Canada.

January 9, 2018

Uxbridge, ON – MD Packaging Inc. announced today that Bobby Javier has joined the MD team as a Field Service Engineer.

Bobby is an experienced Field Service Engineer with a demonstrated history of working in the industrial automation industry. Skilled in Quality Management, Root Cause Analysis, Account Management, Continuous Improvement, and Product Development, Bobby is a strong engineering professional with a Bachelors Information Technology from the University of Wollongong.

With Markem Image Canada since 2008, Bobby has been involved in the Installation, Trouble shooting, application and Sales support for Package Coding Equipment in the Food, Automotive, and Aerospace and Pharmaceutical industries.

Bobby will be focused on MD Packaging's core business of Product Inspection and Automation Solutions. We are all very excited to have Bobby on board and look forward to many years ahead with him at MD Packaging!

With warm regards and a great deal of excitement,

Brenda Aitken
