(Press Release)

MD Packaging Inc. appoints Max Spitz as a Technical Liaison Manager to help facilitate our growth across Canada

June 4, 2018

Uxbridge, ON – MD Packaging Inc. announced today that Max Spitz has joined the MD Team as a Technical Liaison Manager.

Max was the owner of his own company providing service, project design, consultation and training to customers across British Columbia. Prior to coming on board full-time with MD Packaging, Max worked as a subcontractor for us. He is a Factory Authorized Service Technician with Thermo Fisher Scientific and a Red Seal Millwright.

Max resides in Parksville, BC with his wife and three daughters and far too many pets! In his spare time, he enjoys studying the latest developments in the sciences and tinkering in the workshop.

Max will be focused on MD Packaging's core business of Product Inspection and Automation Solutions. We are all pleased to have Max on board and look forward to a prosperous future with him!
