

FACE SHIELDS • MADE IN CANADA

PRODUCT DESCRIPTION

Our face shields provide full face protection and excellent visibility. They are a useful tool for those facing regular contact, at close proximity, with others. Our face shields can be wiped down and reused.

FEATURES

- Replaceable forehead foam
- Low brow-height allows shield to be worn below headwear or additional PPE
- Velcro strap keeps shield securely in place for active workers
- Stable & robust
- PET Shield .30mm thickness with anti-fog coating
- Measures 14.25" width x 9.5" height
- Forehead foam measures 10" length x 1" height
- Velcro strap to fit all size heads

Shields are packaged in sealed plastic bags, quantities of 10 per bag, 10 bags per case.

Each bag is labeled with a Lot and Batch number – providing full quality audit trail.

Minimum order 1 case (100 face shields)
